Boats catalogue 2026

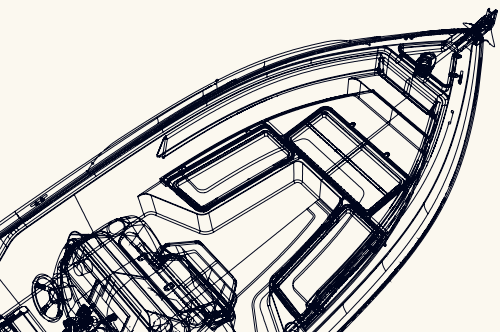

Η KAREL Boats διαθέτει πάνω από 40 χρόνια εμπειρίας στην σκαφών αναψυχής. Κάθε μοντέλο ξεκινά από ένα προσεκτικά αναπτυγμένο concept, όπου ο σχεδιασμός και η εργονομία συνδυάζονται για να προσφέρουν την ιδανική ισορροπία μορφής και λειτουργίας, προσαρμοσμένη στις ανάγκες κάθε πελάτη. Σήμερα, η KAREL εξάγει σε πολλές χώρες της Ευρώπης και του εξωτερικού, με έναν και μοναδικό στόχο: να ικανοποιεί κάθε πελάτη, ανεξάρτητα από το μέγεθος του σκάφους ή το διαθέσιμο budget

Karel Boats brings over 40 years of expertise in crafting open and pleasure boats. Every model begins with a carefully developed concept where design and ergonomics merge to deliver the perfect balance of form and function, tailored to each customer's needs. Today, KAREL exports to numerous countries across Europe and overseas, with a single goal: to satisfy every client—no matter the size of the boat or the budget.

KAREL Boats verfügt über mehr als 40 Jahre Erfahrung im Bau von offenen Booten und Freizeitbooten. Jedes Modell beginnt mit einem sorgfältig entwickelten Konzept, bei dem Design und Ergonomie verschmelzen, um die perfekte Balance zwischen Form und Funktion zu schaffen – individuell abgestimmt auf die Bedürfnisse jedes Kunden. Heute exportiert KAREL in zahlreiche Länder Europas und weltweit, mit dem klaren Ziel, jeden Kunden zufriedenzustellen – unabhängig von Bootsgröße oder Budget.

KAREL Boats met à profit plus de 40 ans d'expertise dans la construction de bateaux ouverts et de plaisance. Chaque modèle naît d'un concept soigneusement élaboré où design et ergonomie s'unissent pour offrir l'équilibre parfait entre forme et fonction, adapté aux besoins de chaque client. Aujourd'hui, KAREL exporte dans de nombreux pays en Europe et à l'international, avec un seul objectif: satisfaire chaque client, quel que soit la taille du bateau ou le budget.
